Dear Karl,

On behalf of the entire Transitions Program, I want to thank you for your tireless effort in developing and presenting the Money Manage Workshop to our young adults in transition. Your work will positively impact the lives and futures of our young adults as they strive towards their independence.

As a small token of our appreciation we have enclosed a little something something for you. Hopefully we can collaborate in the future. Until then take care..

Sincerely,

A handwritten signature in cursive script that reads 'Michael Shaw'.
