## THE CENTS PROGRAM

### Mission Statement:

To meet the financial education needs  
of our community  
by providing ongoing  
legal assistance and  
financial management advice  
to those who are near  
or have already reached  
the financial breaking point.

The CENTS Program sponsors free  
money management seminars that  
empower participants to thoroughly  
analyze their current financial standing  
and create implementation plans to  
improve their financial future.

The CENTS Program is a 501(3)(c)  
non-profit organization based in Seattle.  
Its programs are dependent on grants,  
individual donations and volunteers.
